# DEDICATION

## Alden "Sarge" Berry

The 1972 issue of the WAHIAN is dedicated to one of the men whose untiring efforts made Black Hawk East a reality. Alden Berry was one of the individuals who worked hardest to provide the fledgling college with a temporary home and to insure its suitability. He was an avid supporter of the campus and all of its activities as well as a personal friend to many of the students and faculty. His enthusiasm for the college was second to no one's. To Alden Berry, and in his memory, we dedicate this book.

– His friends, the students
of B.H.E.
